Dear Suzie:

Thank you for reaching out to our office regarding the approved parking restriction for the west side of Seward between Melrose and Willoughby - I have attached a copy of the report from LADOT engineering stating that within 8 to 12 weeks (from 12/8) the latest March 2016 signage will be installed on the west side of Seward with the following parking restrictions:

◆Tow-Away No Parking 2am to 6am, Nightly◆

Council District 4 (CM David Ryu, LAPD, and Gino Joukar owner of DV Warehouse) help to facilitate this request. DV Warehouse is located at 747 Seward Street just right up the street from you on the west side. Also please feel free to reach out to the BID◆s patrol team anytime 24/7 for an escort to your vehicle - phone number 323-871-4150.

In addition, if you feel that a vehicle is perhaps abandoned or parked over 72 hours you may report the vehicle to LADOT at the following link for citation: [Online LADOT Abandoned Vehicle Report](#) . Make sure that you have the license plate number when reporting.

Any questions please feel free to reach out to our office for assistance.
